## 2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements. This policy complies with our funding agreement and articles of association.

## 3. Definitions

- Charge: a fee payable for specifically defined activities

- Remission: the cancellation of a charge which would normally be payable

## **4. Roles and responsibilities**

### **4.1 The governing board**

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headmaster.

The governing board also has overall responsibility for monitoring the implementation of this policy.

In our school, responsibility for approving the charging and remissions policy has been delegated to the Curriculum and Student Welfare Committee. The monitoring the implementation of this policy has also been delegated to the Curriculum and Student Welfare Committee.

### **4.2 The Headmaster**

The headmaster is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

### **4.3 Staff**

Our staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the headmaster of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The senior leadership team will provide staff with appropriate training in relation to this policy and its implementation.

### **4.4 Parents**

Parents are expected to notify staff or the headmaster of any concerns or queries regarding the charging and remissions policy.

## **5. Where charges cannot be made**

Below we set out **what the school cannot charge for**:

### **5.1 Education**

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
  - The national curriculum
  - A syllabus for a prescribed public examination that the student is being prepared for at the school
  - Religious education
- Instrumental or vocal tuition, for students learning individually or in groups, unless the tuition is provided at the request of the student's parent
- Entry for a prescribed public examination if the student has been prepared for it at the school
- Examination re-sit(s) if the student is being prepared for the re-sit(s) at the school

### **5.2 Transport**

- Transporting registered students to or from the school premises, where the local authority has a statutory obligation to provide transport
- Transporting registered students to other premises where the governing board or local authority has arranged for students to be educated

## **6. Where charges can be made**

Below we set out **what the school can charge for**.

### **6.1 Education**

- Any materials, books, instruments or equipment, where the student's parent/carer wishes him or her to own them
- Optional extras (see below)
- Music and vocal tuition, in limited circumstances
- Certain early years provision
- Community facilities

### **6.2 Optional extras**

We are able to charge for activities known as 'optional extras'. In these cases, the school can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of:
  - The national curriculum
  - A syllabus for a prescribed public examination that the student is being prepared for at the school
  - Religious education
- Examination entry fee(s) if the registered student has not been prepared for the examination(s) at the school
- Transport (other than transport that is required to take the student to school or to other premises where the local authority/governing board has arranged for the student to be provided with education)
- Board and lodging for a student on a residential visit
- Extended day services offered to students (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual students will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of students participating.

Any charge will not include an element of subsidy for any other students who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those students who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

### **6.3 Music tuition**

The school can charge for vocal or instrumental tuition provided either individually or to groups of students, provided that the tuition is provided at the request of the student's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- If the teaching is an essential part of the national curriculum
- If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- For a student who is looked after by a local authority

### **6.4 Residential visits**

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

## **7. Voluntary contributions**

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include:

Field trips, theatre trips, sports activities, curriculum workshops, visiting speakers, foreign exchanges, etc.

**There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay.** If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

## **8. Remissions**

In some circumstances the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the governing board and will depend on the activity in question.

### **8.1 Remissions for residential visits**

- Universal credit in prescribed circumstances
- Income Support
- Income Based Jobseekers Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,190
- The guarantee element of State Pension Credit
- An income related employment and support allowance that was introduced on 27 October 2008

## **9. Activities this school charges for**

The school will charge for the following activities:

Activities that are not essential to the national curriculum or prescribed public examination courses. This is made clear on the offer letter that is sent to parents/carers.

For regular activities, the charges for each activity will be determined by the governing board and reviewed at the first Curriculum and Student Welfare Committee of the academic year.

## **10. Monitoring arrangements**

The headmaster monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by the headmaster every year. At every review, the policy will be approved by the Curriculum and Student Welfare committee.
