Dear Sixth Form student,

If you are planning to drive to school, we kindly ask that you register your details by completing the form below and then send by e-mail to Mrs Kirman at Vicky.kirman@caistorgrammar.com

We know that the start and end of the school day can be quite busy on the roads, so we ask that you take extra care when driving near the school, especially during these times. Your safety and that of others is our top priority.

A quick reminder: the area near the school entrance has double yellow lines, and Bank Lane can be a bit tricky due to its narrow width. For everyone's convenience, we'd appreciate it if you could park a little farther away from the school grounds. We're extremely lucky to have the Town Council's support, who allow you to use the Sports car park on North Kelsey Road.

We also kindly ask that you avoid Bank Lane, especially when other students might be walking along it. Once you've parked at the start of the day, we expect cars to remain parked until the end of the school day. Driving during private study or lunchtime should be avoided unless there's an exceptional reason.

Thank you for your cooperation, and we appreciate your help in keeping the school environment safe for everyone.

Yours sincerely,

James Kay
Head of Sixth Form
