## TO BE ABLE TO DRIVE THE MOTORHOME

The minimum hire age is 25 years old.

To drive vehicles up to 7,500kg (7.5 tonnes) you require a C1 license. If you passed your driving test before 1st January 1997, you are able to drive vehicles up to 7,500kg (7.5 tons) in weight as you acquired a 'Grandfather Rights' or 'Acquired Rights' license, therefore you can drive our Motorhome. Once you have passed the age of 70, your Grandfather Rights License is automatically reduced to a standard UK license (3.5 tonnes) and you have to take a medical examination in order to get this part of your license back.

## COLLECTION

Our Motorhome must be collected and returned to: Ireland's Farm Machinery Ltd, Main Road, Carrington, Boston, Lincs, PE22 7HX.

The Motorhome can be picked up between 11:30pm - 4:00pm and must be returned before 11:00am. If your vehicle is not being used in the same day, we are quite flexible and will help to facilitate early pick-ups and later drop offs - please call a member of our hire department to see if this is possible.

## DEPOSIT

You will be required to pay a £300 deposit when booking.

Remaining balance will be due on the day you collect the motorhome.

On the day you collect the motorhome, there is a £1,200 damage deposit to be made. This can be paid on debit or credit card or in cash. This amount is fully refundable providing the vehicle is returned in the same condition it was given to you on the day of collection. Any damage to the vehicle will result in claiming the appropriate monies from the damage deposit and reimbursing the remaining amount of the damage deposit.

## HOW DO I BOOK

Call: **01205 480460** and ask for a member of our hire department- they will let you know availability and prices over the phone. Alternatively, you can email [info@ifmgroup.co.uk](mailto:info@ifmgroup.co.uk) and request a call back.
