SALON MANAGER

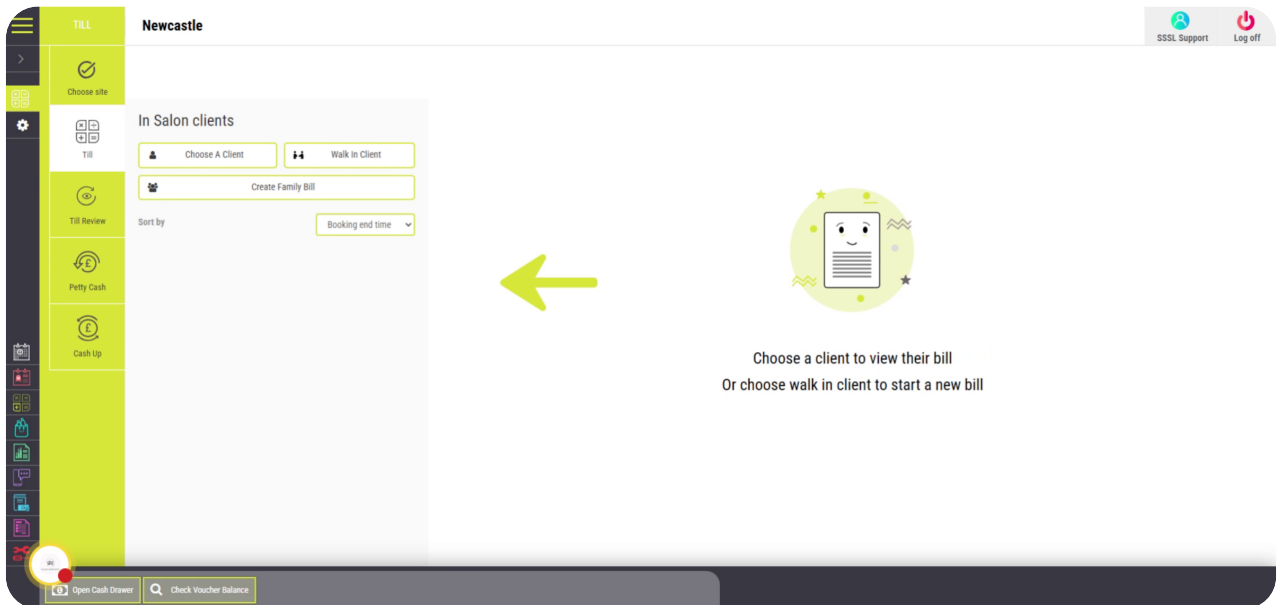

01 Introduce Walk-In Billing Process

Hello, today I'm going to show you how to create a bill for a walk-in client.

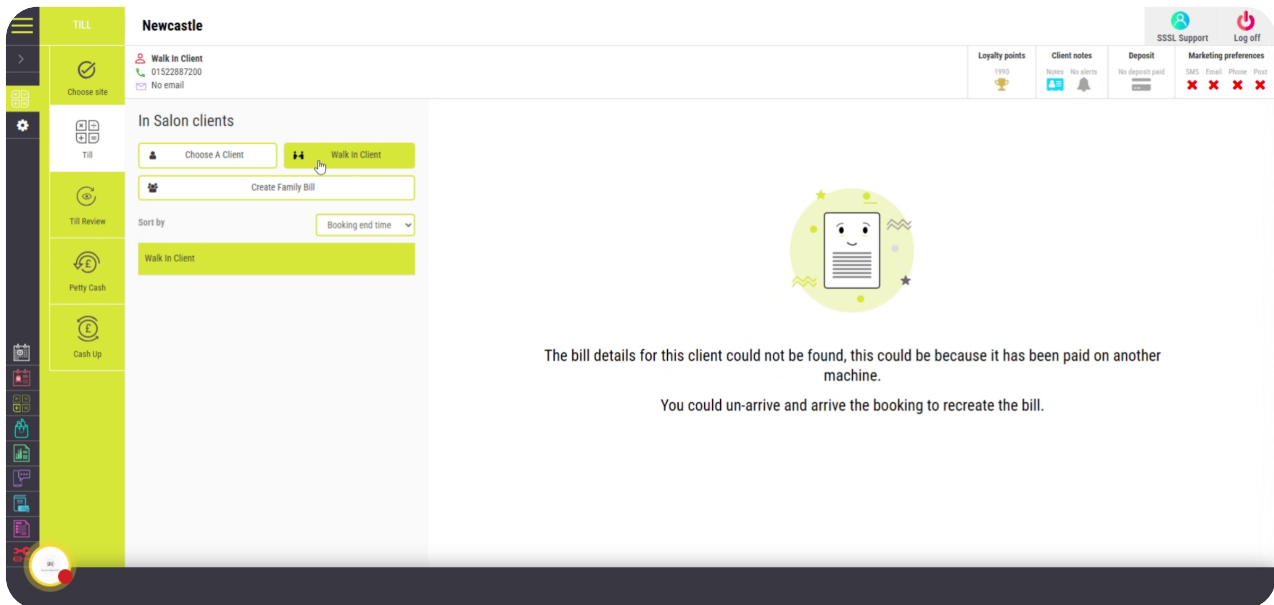

02 Navigate To In Salon Clients

From the till screen navigate to the In Salon Clients section on the left hand side. At the top we have a few buttons, one of them being walk-in client.

03 Create Bill For Walk-In Client

Select "Walk In Client"; a bill will then appear in our In Salon Clients list. In the center, you will find buttons to choose your desired action for this bill related to the walk-in client, including options for service, retail, vouchers, and account credits.
