LOCATION

Louth is a market town of approximately 17,000 people, famous for its thrice weekly market and cattle market. The town centre provides essential services for a large rural area and secondary schools, banks and shopping facilities. The town is famous for its sole proprietor independent retailers, including butchers, bakers and specialist clothing shops etc. In addition, the town accommodates the main High Street banks and national retailers including Boots the Chemist, WH Smith, Millets etc. There are 3 supermarkets in the town, being a Co-operative, Morrison’s and Aldi. Planning consent has recently been granted for a new Tesco Superstore in Louth.

The property benefits from a highly prominent corner position at the junction of Eastgate and Northgate, offering excellent street frontage and visibility. Situated within Louth’s primary retail area and close to a mix of independent and national retailers, including the recently opened B&M discount store, the location benefits from high footfall and strong passing trade.
