LOCATION

Skegness is the principal Lincolnshire coastal resort with a resident population of around 20,000 persons, increasing substantially in the summer months with the influx of holiday makers and day visitors. It lies some 40 miles east and south of Lincoln and Grimsby respectively, with main communication links via the A52 and A158 roads as well as a regional rail service to Grantham and Nottingham.

The property occupies a highly visible position within Skegness town centre's established retail area, directly fronting High Street on the sunnier side of the street and benefitting from strong pedestrian flows close to the bus and rail stations. It sits in close proximity to the principal retail thoroughfare, including Hildreds Shopping Centre, the adjoining Lumley Road shopping area and a diverse mix of national and independent retailers, cafes and services, making it well placed to attract both local residents and visitors.
