LOCATION

Skegness is the principal Lincolnshire coastal resort with a resident population of around 20,000 persons, increasing substantially in the summer months with the influx of holiday makers and day visitors. It lies some 40 miles east and south of Lincoln and Grimsby respectively, with main communication links via the A52 and A158 roads as well as a regional rail service to Grantham and Nottingham.

The property is situated on Roman Bank, an established arterial route to the north of Skegness town centre, with a range of retail and commercial occupiers nearby. The location benefits from passing traffic along the main coastal route towards Ingoldmells and Chapel St Leonards.
