OUR COVID 19 RESPONSE

A silhouette of a person riding a horse is centered in the image. The rider is wearing a helmet and a jacket. The horse is in profile, facing right. The background is a dramatic sky with a low sun, creating a silhouette effect on the rider and horse. The sky is filled with soft, grey clouds. In the distance, there are silhouettes of other riders and horses on a track, and a fence line. The overall mood is serene and focused.
