"AGENT'S COMMENTS"

This delightful cottage, aptly named 'The Cottage', was once three modest dwellings which have been combined into one wonderful home. Located in the prestigious village of Skendleby the property is adjacent to the church of St Peter & St Paul and situated on a private no-through road to that church. Central to the village the cottage has views over both the church green to the front and the Lincolnshire Wolds, designated an Area of Outstanding Natural Beauty to the rear. This wonderful character cottage offers terraced gardens with summer house and seating areas from which to enjoy the expansive views. It has recently undergone a scheme of upgrades which include a new boiler and woodburning stove with warranty. This pretty rural idyll provides a wonderful retreat and all within walking distance of the local country pub.
