"AGENT'S COMMENTS"

This quaint character cottage which has a deceptively large floor plan offers two reception rooms set to living and dining, kitchen with seperate pantry, three double bedrooms, one of which has an en-suite WC and a ground floor shower room. With conservatory offering views over the rear garden, this lovely period cottage already benefits from being mostly double glazed with gas central heating throughout. Whilst having endured the passage of time, the property is showing signs of slight cracking in areas however, set in a popular village location within walking distance of amenities, on the outskirts of Market Town of Alford, close to the Lincolnshire coastline and brought to the market with no onward chain, a cottage of this nature is rarely presented to the market.
