Commission Bids: The Auctioneers will be pleased to execute commission bids upon receipt of full written instructions. Commission bids must be collected on the day of the sale unless otherwise agreed. The Auctioneers will not be liable for any errors or omissions.

Reserve Prices: The majority of the lots are unreserved and will be sold to the highest bidder. The Auctioneers reserve the right to use their own discretion, acting in the interest of the Vendor, for any lot to bid on behalf of the Vendor and even withdraw a lot if the Auctioneers so decide.

Buyers Numbers: All successful bidders must show their buyer's number at the fall of the hammer. Buyer's numbers are obtainable by registering with the Auctioneers.

Catalogue Descriptions, Lotting & Estimates: Whilst every care has been taken in describing the lots in the catalogue, these descriptions must not be regarded upon as fact. Intended Purchasers are strongly advised to inspect and check on the availability of any particular lot upon which they intend to bid as the Auctioneers act as agent only and do not have personal knowledge of the item. All lots are un-tested, without warranties or guarantees as to serviceability, working order, mileage/hours or fit for purpose and are sold 'as seen' unless otherwise stated. Any estimates provided are for guidance purposes only. The Auctioneers reserve the right to vary the order of sale, combine or divide or withdraw any lot and to generally conduct the auction as they so decide at the time.

Responsibility of Lots: No lot will become the property of the Purchaser or may be removed from the premises until it has been paid for in full. However, at the fall of the hammer, each lot will be at the sole risk and expense of the Purchaser and the Auctioneers will not be responsible for any damage or loss that occurs due to fire, theft, accident or otherwise. With any vehicle or trailer purchased from the auction, the Purchaser is responsible for complying with all legal requirements including road worthiness of the lot and for ensuring its removal from the premises in a safe manner. A Purchaser must not attempt to disconnect any fixed electrical item without first obtaining confirmation from the Auctioneers that the mains supply has been turned off. The Purchaser is responsible for and must indemnify the Auctioneers and owner of the sale premises against any damage caused to buildings or property or any other lots at the auction. Any lot which has been sold but not removed by the Purchaser within the required time may be removed or resold by the Auctioneers, at their discretion and the Purchaser will be responsible for any cost of removal, storage and/or resale costs including Auctioneer's commission; any surplus will remain the property of the Auctioneers.

About Us

180 years of local knowledge. Professional expertise you can trust.

For more than 180 years, Willsons has been helping the people of Eastern Lincolnshire buy, sell and make the most of their homes, farms, land and possessions. From the Wolds to the sea, our name has become part of the local landscape, and we remain proudly independent, combining generations of local knowledge with a genuinely personal service.

We are regulated by RICS, and our team includes members of the CAAV, ARLA Propertymark and NAEA Propertymark, so you can be confident you're in safe, experienced hands.

From our offices in Alford and Skegness, we offer a complete property service. Our estate agents sell homes of all kinds, from first-time purchases to country properties, while our lettings specialists help landlords find tenants and manage their properties. Our agricultural team works with farmers and landowners on the sale and letting of farms and land, tenancies and rent reviews, and our valuers provide trusted advice for probate, tax planning, transfers of ownership and sale.

And then there are our auctions, where all that experience comes together. Whether it's a farm dispersal, a house clearance or a single item of particular interest, we take care of every stage, from cataloguing and marketing to the fall of the hammer, bringing together private buyers, collectors, dealers and the trade.

Today's sale continues a tradition we're proud of, helping good things find new homes. If you're thinking of buying, selling or letting, we'd be delighted to hear from you.
